What a great ride season we had this year! We were out front on for the procession of the Oklahoma Sailor Fred Jones as we laid him to rest in Port Huron. During the escort, the streets were lined with patriotic residents waving flags and paying homage to this fallen warrior. Thanks to John "Judge" Jeffries, the ALR had the distinct honor of being out front in the procession of over 600 Bikers escorting the traveling Vietnam Wall to the City of Yale. In addition to escorting the Wall, our members had the privilege of guarding the monument and assisting visitors.

Although the weather is starting to turn a bit chilly, we are still out there on our scooters, so keep an eye out for us out there on the road as try to squeeze every ride

day we can.
