**WE FOUGHT TOGETHER, NOW, LET'S BUILD TOGETHER FOR A BETTER
AMERICA**

I would like to start out by thanking everyone who has helped this Post during the past year; it has made my first year as Commander an enjoyable experience, and I am very much looking forward to the upcoming year and all that it brings. We have had a very busy spring, with the Rededication, and the Memorial Day celebration. A lot of work went into the planning and execution of those functions, The Legion Officers and members who volunteered, handled those tasks with the respect and dedication that they deserved, and are to be commended for their efforts. We have some changes in the Bylaws that have to be made; and will be presenting those changes to the membership starting in September. With the way things are happening changes have to be made for this Legion to operate efficiently. Action and reaction, ebb and flow, trial and error, change – this is the rhythm of our Legion. Out of our over-confidence, fear; out of fear, clearer vision, fresh hope, and out of hope, progress. We are making some changes, be it ever so slow,. Changes, never the less. As Commander, I have to believe that we are starting to move in the right direction, to start engaging the younger Veterans when they are ready to start becoming involved. With that, I am asking Our Legion membership for one Thursday a month, the first Thursday of the month to be exact, one hour of that day 7:00 to 8:00 pm starting in September. This is your Legion meeting and in this, decisions are made. I'm asking the Legion membership be a part of those decisions, and be a part of your Post.

“Progress is impossible without change,
and those who cannot change their minds cannot change anything.”

- George Bernard Shaw

From my family to yours I hope and pray for all to have a safe and fun filled summer.
God bless our Legion family, and God bless America.

Commander Rick

Summer is finally here, we hope. I would like to thank the members for helping the post reach our membership goal. We obtained 103.8%. Hope we can do the same for the next year. Watch your newsletter or the bulletin boards at the post for up-coming activities.

Ed Harrison
Post Adjutant

I would like to thank everyone who helped with the Flags at the cemetery for Memorial Day. This year we had a WWII Veteran and his daughter, a grandfather, father and son, along with other Veterans, SAL, AUX, ALR, and family members. Once again Thank You all very much for your help.

Once again our Children's Easter Party was a huge success with over 80 children and their families in attendance. This day was made possible by the outpouring of help from all the volunteers and those that donated baked goods. It was amazing the response and support from everyone. The Children enjoyed a special visit from the Easter Bunny "Randy", played games and a variety of crafts to do and take home. Again, Thank You to all, it was greatly appreciated.

Save the date, mark your calendars now for December 7th for the Children's Christmas Party. Plans are already in the making. Anyone interested in Volunteering please call Karen Barber (810)941-2994

ALR NEWS

Hello Legionnaires, Son's, Auxiliary, Rider Supporter's, and Legion Rider members.

Our riding season is off to a great start doing what our Riders have done. Whether it be a community event; a Soldier's funeral or a visit to go see our veterans' who normally see nothing but the walls of our Michigan VA Hospitals; the partnerships we've developed over the years for help with monetary funds to help the continuance of research to fight the Curse of Cancer, and ALR Rider's each year supporting Hospice.

We've done exactly what the American Legion Riders were organized for in 1993, on behalf of Post 449.

The American Legion Riders are members of the American Legion who are also motorcycle enthusiasts. They can be found participating in parades, partaking in cycling events both in State and out of State, and supporting the communities in which they live, work, and ride. Members of the ALR come from the Legion, the Legion Auxiliary, and the Sons of the American Legion; The American Legion Riders were formed to also partake in other ceremonies that are in keeping with the Aims and Purposes of the American Legion and to promote motorcycle safety and to provide a social atmosphere for American Legion Riders who share the same interest. Being a VSO, (*Veteran's Service Organization*) not an M/C..., it's all about our veterans who have served their Country proudly. We ride and will continue to ride in support of them and this Country's Constitution.

We have a few more events planned for 2014 that will be Post ALR Functions, **your participation is encouraged and you can participate with or without a motorcycle.** *Not sure when this article will be printed, but June 22nd* is our Ride-for-Life Cancer benefit. The ride is 99 miles long. Our Veterans Ride will be August 16th. All stops will be at Veteran Posts in Sanilac & St. Clair Counties. It's a good time and for a great cause. On September 6 the will be a full community event organized from our Post which is the Judy Switzer Annual Breast Cancer Handle-Bars Ride. **Again, you do not have to ride a bicycle to participate, come in your cars, trucks, roller skates, or any means of transportation will suffice.** Just participate. You can register and go in your personal vehicles on all of our ALR 449 Benefit Rides or make a donation in support of the cause. Enjoy your summer and stay safe.

We would like to thank everyone who donated to the Wigs 4 Kids Benefit that was held in April. We made \$3276.00 which will help 4 children with hair loss. Once again, Thank You for all for your generous donations and your support in this fundraiser.
