## Commanders Notes

Well another summer is about to begin. Another year for the Legion is in the books. As we begin, myself and my officers want to thank **everyone** for their assistance during this past year, we feel that it is important to express this. No one looks for accolades, but everyone enjoys the reward of acknowledgement for a job well done. I'm hoping we can try a couple different things this year to try and engage member participation, and to do that itself is a monumental task. But if we don't try, we would be failing our membership, and I'll do my best as Commander not to let that happen. So please watch the website calendar ([www.amleg449.org](http://www.amleg449.org)), our Facebook page (**J. Edward Mallore** **Post449 American Legion**) we also have a Legion rider Facebook page (**American Legion Riders, Post 449 – Un**) and all are accessible from our legion website. For all of our members who frequent the post lounge **check out the schedule board** above the chips, also **check the calendar of events in this newsletter**. We will do our very best to keep everyone informed as to what is going on. Many ways to stay involved and informed, so please don't be just a card-carrying member, come down and support our events, if you can't volunteer it's no problem, just being there and enjoying yourself is what matters most to myself and to the Officers Of this post. This is our legion. If we succeed, we succeed together, and if we fail, well we also fail together. Will Rogers once said "If you want to be successful, it's just this simple. Know what you are doing. Love what you are doing. And believe in what you are doing."

God Bless Commander Rick Semrow
