**WE FOUGHT TOGETHER, NOW LET'S BUILD TOGETHER FOR A BETTER
AMERICA**

Another spring to enjoy, hopefully along with many things that are headed our way. First, we are starting with our Nominations of Officers, first one being April 6th, second nomination on May 4th and finishing with elections on May 6th. After that we start to focus on our Memorial Day parade and our program in the park, culminating with our memorial service at the cemetery. In June, we will have installation of officers. We then break for the months of July and August. On another note, If you've been around the post you will have seen some work being done. We have had the complete ceiling in the large hall replaced, soffits painted and hopefully getting the west side parking lot much better lighted. These are just a few things that have been done over the winter. In all, it is the little things that our members do around here to help make our Legion stand out from the others. Rabindranath Tagore once said "I slept and dreamt that life was joy. I awoke and saw that life was service. I acted, and behold, service was joy." So, don't be afraid to ask to help. We can always use it.

Yours in service
Commander Rick Semrow

Thanks to all the Riders who came out for the Children's Christmas Party and who participated in the Marysville Parade. If you haven't noticed, our plaques have multiplied and we're planning on "grabbing" more this season. So much more, that we're moving them to our new shelf that DeDog and Company are putting up in the East hallway. Our winter seems short and riders are out, so please watch out for them as we think the riding season will start sooner than later and to all our Riders, keep the rubber side down.
